Public Meeting To Address North Ada County Water Issues

The Idaho Department of Water Resources will host an open-forum public meeting Aug. 21 at 7 p.m. in the Eagle High School auditorium to discuss North Ada County water issues.

The purposes of the meeting are to review the status of water resource development of the area, present the current understanding of the hydrogeology of North Ada County, and discuss plans for further study.

As part of the meeting, questions or concerns about water resource development will be addressed through an open forum to provide public input regarding study plans for future work. In addition, the development of a Technical Working Group will be announced and interested participants will be solicited.

When: Tuesday, August 21, 2007

Where: Eagle High School auditorium

574 North Park Lane

Eagle, Idaho

Time: 7:00 p.m.
